

Let's Write: A Writing Workshop

"Writing is always a voyage of discovery."

- Nadine Gordimer

You're a writer, and you know it, but for some reason you rarely, or never, sit down to write. Who knows why not? Maybe you have "more important" things to do, or perhaps you have a fear of what you might discover. But haven't you waited long enough? Join us! Transform and empower yourself by claiming your voice through writing. In this workshop, designed for both beginning and more experienced writers, through exercises and assignments, we explore various aspects of writing, including important tools such as the use of detail, dialogue, characterization, and figurative language. Most of all, we encourage and support one another in our writing effort. The only requirement is a willingness to be part of this voyage of discovery.

Dates for the 12-week winter session:

Mondays, February 5 - April 23
(10 am-12 pm or 1-3pm) or
Tuesdays, February 6 - April 24 (6-8pm)

Cost is \$375

Classes held at Sweet Buddha, 660 Vernon Ave., Glencoe
